

2021 Webinar Subscription Program

Pay once, learn often.

LeadingAge Illinois is once again offering a webinar subscription program to its nursing home and CCRC/Life Plan Community members. For \$695 **\$499** per site, these organizations will receive a subscription to an **UNLIMITED** number of LeadingAge Illinois webinars in the 2021 calendar year. The webinars will have an emphasis on:

- Regulations
- Legal
- Operations
- Human Resources

The subscription will include a guaranteed minimum of 10 (ten) different webinars, including the following:

- **January 14** – *Labor and Employment Law Update*, Aimee Delaney, Hinshaw & Culbertson LLP
- **January 27** - *Infection Control Requirements and Their Impact on Incentive Payments, 5 Star, and Compare Ratings*, Deb Emerson and Jillian Martin, CliftonLarsonAllen

The webinar subscription program saves staff time by not having to register for individual webinars throughout the year. And the more webinars LeadingAge Illinois schedules, the greater the savings. Webinars are a great way to hold an in-service for several staff members at once without spending a lot of money.

As a bonus, a link to webinar recordings will be e-mailed to subscribers whether or not staff has participated in the live webinar. The webinar recording is a great on-demand tool to have on hand to train staff who were not able to call in or to use to train* future staff members.

Once a webinar subscription has been purchased, the site will automatically be registered for all 2021 webinars, unless otherwise noted.

The webinar subscription is site-specific and applies only to LeadingAge Illinois-hosted webinars. Exclusions for some webinars may apply. The subscription includes ~~one~~ **three** log-in links per site.

The day before the webinar, the link to view the webinar will be sent to the individual listed on the subscription registration.

Please e-mail staff at meetingservices@leadingageil.org with any questions.

*Continuing Education Credit is available for live webinars only. LeadingAge Illinois, as an approved sponsor of continuing education through the Illinois Department of Financial and Professional Regulation, will provide the following professionals licensed in Illinois with continuing education credit hours with full participation and documented attendance: nursing home administrators, nurses, clinical social workers/social workers, registered and certified public accountants, physical therapists/physical therapy assistants, occupational therapists/occupational therapy assistants, and professional counselors/clinical counselors.
