Registration is encouraged, but not required. We ask that you DO register, especially if you would like to provide public comments during the meeting. Instructions are found via the registration links.

All hearings will be conducted via virtual meeting, closed captioning will be available. All sessions will be recorded and available for future viewing. Comments can be submitted until November 15 via writing (to the address below), email (aging.feedback@illinois.gov) or through the [comment form](#).
