CMMS TARGETED COVID-19 TRAINING - FINAL FACILITY CERTIFICATION

(For Use by Skilled Nursing and Intermediate Care Facilities Only)

I certify to the best of my knowledge and belief that 100% of the “Frontline clinical staff” and 100% of the “Management staff” of this facility have completed the “CMMS Targeted COVID-19 Training for Frontline Nursing Home Staff and Management” by February 28, 2021 as required under Section 300.675 of 77 Ill. Adm. Code 300 for skilled nursing and intermediate care facilities.

DATE: _____

FACILITY NAME: _____

SIGNATURE: _____ **TITLE** _____

****to be signed only by Administrator (or designee), Director of Nursing, or Infection Preventionist****

“Frontline clinical staff” means the medical director of the facility, facility treating physicians, registered nurses, licensed practical nurses, certified nurse assistants, psychiatric service rehabilitation aides, rehabilitation therapy aides, psychiatric services rehabilitation coordinators, assistant directors of nursing, directors of nursing, social service directors, and any licensed physical, occupational or speech therapists. Any consultants, contractors, volunteers, students in any training programs, and caregivers who provide, engage in, or administer direct care and services to residents on behalf of the facility are also considered frontline clinical staff.

“Management staff” means any facility staff who:

- A) Assign and direct nursing activities;
- B) Oversee comprehensive assessment of residents’ medical needs and care planning;
- C) Recommend numbers and levels of nursing personnel;
- D) Plan nursing service budgeting;
- E) Develop standards of nursing practice;
- F) Supervise in-service education and skill training for all personnel; or
- G) Participate in the screening of prospective residents and resident placement
