

2021 CABINET APPLICATION

Provider members interested in serving on a cabinet should complete this application and return it to mrice@leadingageil.org by: **March 19, 2021**

Cabinets represent each LeadingAge Illinois member type and set program and public policy goals. Cabinet members provide leadership, support and guidance to meet these goals – achieving results in their specialty areas.

As part of a cabinet, you will:

- Have the opportunity to lead
- Influence the future of aging services in Illinois
- Network with colleagues in similar roles

Characteristics of ideal candidates include:

- Familiar with and/or have influence in the political process
- Awareness of trends in the field
- Business acumen

Name: _____ Title: _____

Organization: _____ City: _____

Email: _____

Check the cabinet you are applying to serve on from the list below. If there is more than one that you would like to apply to, please rank the order of your preference (by putting preference order (1,2,3) next to the name of each cabinet). Your selection(s) should directly reflect your current professional responsibilities.

_____ Assisted Living

_____ CCRC/Life Plan Community

_____ Housing

_____ Home or Community Based Services

_____ Nursing/Rehab

Please review the accompanying cabinet support materials which outline the cabinets/cabinet Members roles and responsibilities prior to completion of this form.

Please answer the following:

Please explain your interest/motivation in serving on one of the association's cabinets.

What strengths and skills will you contribute to the cabinet and its role in advancing the work of the association?

Will your current circumstances/priorities allow you to regularly attend and fully participate in cabinet meetings (either via conference call, virtually or in-person)?

Please explain your engagement with LeadingAge Illinois, LeadingAge, Argentum or other aging-related professional, civic or fraternal associations/affiliations.

Describe how you will leverage your skills, experience and professional affiliations to support and contribute to cabinet goals and policies that impact the future of aging services.

Along with this completed application, please include a copy of your resume or CV that contains the following: List of positions held in the field within the last five years (position title, organization, and dates) and any degrees, certifications or designations you hold.
