Overview

Stay on top of vital facility and environmental services trends and developments to ensure you protect your organization! Take advantage of this opportunity to learn from the experts in the field to help you address the facility and environmental issues you face every day. This workshop will provide you with the information needed to lead your organization in the ever-changing aging services environment, in addition to providing best practice tools to ensure you are compliant with IDPH Life Safety Code Regulations. This is one workshop that everyone responsible for facility and environmental services in senior living should not miss!

Who Should Attend?

Facility and Environmental Directors, Administrators and Directors

Continuing Education Credit

LeadingAge Illinois, as an approved sponsor of continuing education through the Illinois Department of Financial and Professional Regulation, will provide the following professionals licensed in Illinois:

Nursing home administrators, nurses, clinical social workers/social workers, registered and certified public accountants, physical therapists/physical therapy assistants, occupational therapists/occupational therapy assistants, and professional counselors/clinical counsellors.

With up to 6.0 continuing education credit hours. When offering CE credit, LeadingAge Illinois must abide by the rules and regulations of all applicable professional accrediting boards and agencies. As such, LeadingAge Illinois cannot provide full CE credit to participants who arrive late or leave early. All other professionals are encouraged to submit detailed information on the session attended (LeadingAge Illinois brochure and handout materials) to their own professional organization for consideration of continuing education credit. Credentialing bodies and licensing boards have the final authority on the acceptance of individual courses.
