<b>Training Objectives</b>	<ol style="list-style-type: none"> <li>1. Obtain a basic understanding of the new changes to the facility Food Safety Policy.</li> <li>2. Understand the role and responsibilities of the facility when visitors bring in food and beverages for the residents.</li> </ol>				
<b>Connection to Overall Project Goals</b>	This training is part of the overall project to educate and support nursing, facility operators and staff regarding the revised requirements of participation for nursing homes as it relates to the Storage of Food and Beverage brought in for residents; and food procurement.				
<b>Participants: Who should attend?</b>	For the purposes of this education, we will refer to the new regulations allowing residents to consume food and beverages brought in by family and visitors; allows the facility to serve food grown in facility gardens; and allows facilities to procure food from local vendors – all in compliance with state and local laws/regulations. Education is offered in slide presentation form with speaker’s notes for use by each facility.
