Question: True or False?	Answer
1. PASARR stands for Please Admit Several Acute Respiratory Residents.	
2. The Level I Screen is completed 48 hours after admission.	
3. The PASARR screen assists organizations in determining if an individual may have a mental disorder, intellectual disability or a related condition.	
4. All potential residents to our facility require a Level I screen.	
5. The level II recommendations, if agreed upon, need to be coordinated into the care process including: assessment, care plan and specialized services.	

Employee Printed Name _____ Date: _____

Employee Signature: _____
