“Frontline clinical staff” means the medical director of the facility, facility treating physicians, registered nurses, licensed practical nurses, certified nurse assistants, psychiatric service rehabilitation aides, rehabilitation therapy aides, psychiatric services rehabilitation coordinators, assistant directors of nursing, directors of nursing, social service directors, and any licensed physical, occupational or speech therapists. Any consultants, contractors, volunteers, students in any training programs, and caregivers who provide, engage in, or administer direct care and services to residents on behalf of the facility are also considered frontline clinical staff.

“Management staff” means any facility staff who:

- A) Assign and direct nursing activities;
- B) Oversee comprehensive assessment of residents’ medical needs and care planning;
- C) Recommend numbers and levels of nursing personnel;
- D) Plan nursing service budgeting;
- E) Develop standards of nursing practice;
- F) Supervise in-service education and skill training for all personnel; or
- G) Participate in the screening of prospective residents and resident placement
